

NEW CARERS DROP-IN CLINIC

**1st Monday of every month at
Yetminster Health Centre
10:00am-12:00pm**

Are you caring for someone who increasingly relies on you and would like more information about the support available to you as an informal carer?

Come to our **free** drop-in sessions hosted by our Carers Caseworker with the Adult Social Care team for Dorset Council. They will be there to advise and provide information on providing ongoing care for a loved one, benefits & entitlements, local support & funding, and improving your own wellbeing.

No appointment necessary, just drop-in for a chat!

Starts Monday 3rd June 2024
