

Online Access Clinic

Yetminster Health Centre

Fridays 2:00pm-3:00pm

Our online access clinic helps patients set up their patient access account from their mobile phones and shown how the system works.

Just bring along your phone and we'll help you with the rest!

Benefits of online access:

- ◇ Book your own doctors appointments
- ◇ Order medication
- ◇ Have more control over your own patient care
- ◇ Access to your medical record

If you are interested please inform reception or our care co-ordinator so they can book you into a slot.
